CBSL

MACKENZIE RIVER TARIFF

HIGHWAY TRAILERS

CBSL NO. 05

CONDITIONS

1. Rates will include free return of trailer to Fort Simpson, NT.
2. Cargo must be properly secured on trailer for safe stowage aboard barge.
3. Excludes any dangerous goods.
4. Chargeable weight is based on a minimum of 1000 lbs. per lineal ft. of trailer, or maximum gross weight, whichever is greater.
5. Rates named herein apply only to approved road trailers not exceeding 8 ft. 6 in. in width, carrying load not exceeding width of trailer.
6. Where load exceeds length of trailer, then excess length will be subject to minimum of 1000 lbs. per lineal ft. of load length beyond actual trailer length.
7. Where the load exceeds the width of the trailer, dimensional calculations based upon 150 lbs per square foot will apply.
8. A handling charge of 100.00 dollars will apply for B Trains.
9. Contents in unsealed vans will be at shipper's risk.
10. Trailers with sliding axles must be in the furthest back position before drop off at yard to facilitate loading and unloading.
11. Any goods carried on trailers for return to Fort Simpson, NT, will be charged at actual weight of goods as per rate schedule.
12. At destination, trailers must be returned to dock or CBSL vessel as soon as possible for return to Fort Simpson, NT.
13. Rates are in cents per 100 lbs.
14. Rates are subject to G.S.T.
15. Rates do not include cargo insurance.
